Dear Ms. Ong:

On behalf of the entire Board of Directors of the Kwong Kow Chinese School, I would like to extend our heart-felt thanks to you and your Columbia Business School of Boston (CBS) colleagues – Rusty Hartley, Yvonne Tai, and Victor Chin – for contributing your collective professional expertise, time, dedication and hard work to research and develop the comprehensive *pro bono* Earned Revenue Business Plan for our school.

We were all most impressed by the CBS team members' effort and energy in presenting and discussing the revenue generation opportunities and potential for Kwong Kow Chinese School's unused space. The work completed by your team will serve as the foundation for revenue generation development for the school.

Once more, we greatly appreciate the work and your time spent in the project. Thank you! We are honored to be one of CBS Gives Back's inaugural projects and wish you and the program continued success.

Most sincerely,

Theresa Tsoi
Vice Chair of the Board
